Winemaking Notes:

Every year the Doctor's Cuvee is selected from the best lots of the vintage and the finest barrels of each lot. We then flash that blend in a small amount of new French Oak to add boldness and character impact. This 2016 uses our best barrels from a Clone 6 block and from our Clone 337 block. The 2016 vintage was very balanced with a cooler growing season and extended hang time for very complex character development.
